

1929 Triple Cockpit Chris-Craft, 24 ft, (Model 3) Beam - 6 ft.

This solid mahogany, rare boat looks gorgeous in the water and rides like a dream. She was fully restored and re-launched in 2010. The Chris-Craft is powered by a 210 h.p. Chevy 283 (fresh) engine. It is the original hull, number 2449, with all new battens refastened with stainless and brass. The boat has been reupholstered in green. The original bottom was refastened with 5200(M) and stainless. The transom has been replaced, along with frames, knees, and battens. The hardware has all been re-chromed or re-polished and new reproduction Stewart Warner gauges have been installed. The boat has a new gas tank and has been rewired to a 12 volt fuse bar system. Will survey

PRICE: \$49,500.
